

**Amigos is a 34ft Dehler sailing boat.**

She was lifted at 10:00 am and re- launched at 17:00 on Monday 21<sup>st</sup> March 2011

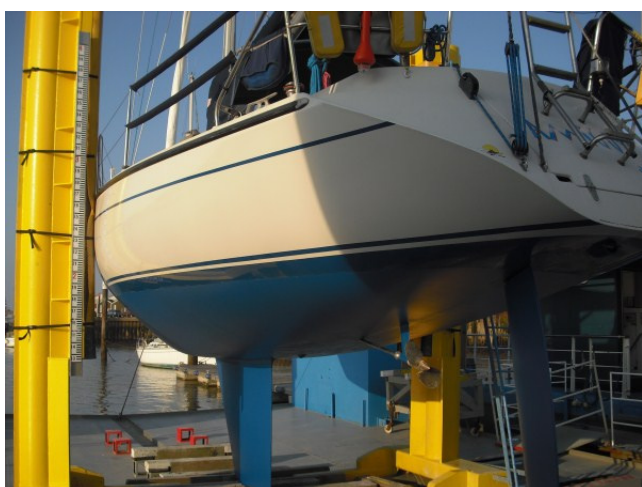

During the day we cleaned the hull, applied two coats of antifoul paint, replaced the anodes and cut and polished from the waterline to gunnels

**Before Hull Cleaning**

**After hull cleaning but before antifoul paint and topside polishing**

**After antifoul and topside cut and polish**

Hi Paul,

Again many thanks for the photo's

I am happy for you to quote me on your web site and if you wish I could add a link from my Hamble Estate Agency Web Site direct to your site.

Take a look and let me know [www.hambleestateagency.com](http://www.hambleestateagency.com) Boatshed Hamble are on there (Click on Area Profile then Yachting & Boating Services)

"Many thanks to all at Sealift2 It was a great job well done. Lift, Clean, Antifouled & Polish. Very helpful and accommodating, the speed of the turnaround is great and would I certainly use the service again.

Highly recommended!

Again many thanks.

Keith Bridges & Shelley Hunter,

Amigos"

Hi Keith

I have put together some photos of your 34ft yacht Amigos that we completed on Monday 21st Of March. I would like to use this on the Testimonials page of our website as it shows the complete range of services that can be offered on our Sealift2/SD floating dry dock in just 7 hours.

I would be grateful if you would confirm what we did and add any comments you wish to make regarding the service which you received i.e speed – results etc.

Thank you again

Best Regards

Paul Edmunds

Dock Manager.
